

“How to Effectively Receive the Word of God”
James 1:19-21
April 6 2014

Illustration from Acts 20

Three commands on how to effectively receive God's Word.

1. We must be quick to hear God's Word. (v.19)
2. We must be slow to speak (v.19)
3. We must be slow to anger (v.19)

Things we need to get rid of to effectively receive God's Word:

1. We need to get rid of defiling sins.
2. We need to get rid of deliberate sins.

One more command to effectively receive God's Word:

We are to humbly welcome God's Word into our hearts.
