**Title: “Don’t Mess with God”**

***Principle #1:** God seriously disapproves of pride and arrogance.*

***Principle #2:** Though God hates pride, He is patient and wants us to turn from this sin so that He will not have to discipline us.*

***Principle #3:** God will acknowledge our cry for help when we truly repent of our sins and seek His help.*

1. Review the three principles from the sermon on Sunday.

- Why do you think God feels so strongly about pride?
- What are some of the things that tempt us most into the sin of pride?
- Why do you think we are tempted by those things and not others?

2. What do you think are our biggest obstacles to repenting of our sins, especially the sin of pride?

3. What advice would you give someone who is struggling with the sin of pride, especially struggling with repentance for pride? What are some key ways we can all overcome the obstacles we outlined in question 2 and truly repent?
