*Question:* Why did Jesus leave Judea and head towards Galilee?

*Answer:* He left to avoid any conflict with the Pharisees.

*Question:* Why did Jesus have to go through Samaria?

*Answer:* Because there was a divine appointment awaiting Him there.

*Timeless Principle:* No matter how exhausted we are, we need to be ready to minister.

*Question:* Why was the Samaritan woman coming to draw water at noon?

*Answer:* It was probably because of her immoral life and she was not liked by the other women. She wanted to come when she would be alone.

*Question:* Why is Jesus asking her for a drink of water?

*Answer:* The reason why Jesus asked her for a drink is not because he wants the water, it's because He wants her heart. He wants her saved.

*Timeless Principle:* The living water that Jesus offers is a gift, not something you have to ear.

*Timeless Principle:* Jesus loves everyone and He commands us to love everyone too.
