Question: What verse in the Bible does Handel's "Hallelujah Chorus" come from?

Answer: Revelation 19:6

Definition of praise: Praise is the adoration of God.

Three categories of praise:

1. Praise may be vocal. (Ps 145:21; 66:3)
2. Praise may be audible. (Ps 47:1a; 150:3-5)
3. Praise may be neither vocal nor audible.

Two realms of reality:

1. There is the visible reality.
2. There is the invisible reality.

Timeless Truth: The invisible reality controls the visible reality.
