

“Body Works”
I Corinthians 12:12-26
February 26, 2017

A mature disciple of Christ does four things consistently:

1. Love God
2. Love People
3. Love the Ministry
4. Love the Lost

Point #1: Even though the church is made up of many members, it is still just one body, the body of Christ. (v.12)

Two things happened when you became a Christian:

1. The Holy Spirit baptized you into the body of Christ.
2. You were made to drink of the Holy Spirit which means the Holy Spirit was placed in you.

Point #2: You should never under estimate your value and importance to the body of Christ (the church). (v.14-20)

Point #3: You should never over estimate your value and importance to the body of Christ (the church). (v.21-24)
