

"How To Share Your Story
Acts 26
March 19, 2017

There are two kinds of Christians in the world:

1. Those who talk ABOUT the lost.
2. Those who talk TO the lost.

Question: Do you know what God's greatest tool is to reach lost people for Jesus Christ?

Answer: YOU!

IMPORTANT NOTE: The single most powerful tool to be an effective witness for Christ is your personal testimony.

How to Share Your Story:

1. Talk about your condition before you met Christ.
NOTE: No one is born a Christian, you must be born again to become a Christian.

"Whoever is not with Me is against Me."

NOTE: We are all born "against" Jesus Christ.

2. Talk about your conversion to Christ.
3. Challenge the person you're sharing with to come to Christ.

Why did Jesus save Paul?

1. To make him a servant. (v.16)
2. To make him a messenger. (v.16)

As a witness for Jesus, Paul was simply to do two things:

1. Share his testimony.
2. Call for a decision that they should repent and receive Christ.

NOTE: King Agrippa did not come to Christ as a result of Paul's witness, so some might think Paul failed, but this is not true.

NOTE: Paul was successful because
he was faithful

We are not responsible for the outcome, God is!
